

ADAM ROBERT PINES

Postdoctoral Scholar | Precision Psychiatry and Translational Neuroscience Laboratory | Stanford University
| apines@stanford.edu | github.com/adpines

EDUCATION

Ph.D, Neuroscience **August 2017 - August 2022**

Dissertation: Layers of Maturation in Cortical Hierarchies

University of Pennsylvania, Philadelphia, PA

Advisor: Theodore Satterthwaite, M.D., M.A.

Bachelor of Arts, *magna cum laude*, Psychology (Major), Biology (Minor) **August 2011 - May 2015**

Loyola Marymount University, Los Angeles, CA

WORK EXPERIENCE

A.C.E. Certified Personal Trainer

Burns Recreation Center, Westchester, CA

24 Hour Fitness, Mountain View Sport, Mountain View, CA

August 2013 - May 2015

June 2015 - October 2015

RESEARCH

Clinical Research Coordinator

October 2015 - May 2017

Stanford University, Stanford, CA. PI: Leanne Williams

- Designed and ran MRI, VR, and smartphone data acquisition protocol 200+ times for the NIH Science of Behavior Change initiative
- Analyzed multimodal neuroimaging, VR, and behavioral data for protocol optimization and peer-reviewed publications
- Presented project progress to various NIH representatives
- Coordinated participant and personnel calendars across multiple institutions

Research Assistant

September 2013 - May 2015

Loyola Marymount University, Los Angeles, CA. PI: Cheryl Grills

- Organized and coded data and conducted preliminary data analyses in SPSS for numerous county, state, and national private- and federally-funded evaluation and community-based research projects covering topics including: childhood obesity in communities of color, use of emergency room services by homeless individuals, foster youth supported employment, ethnic minority male school-to-prison pipeline and school mentorship programs, and trauma-focused treatment for young women.

Research Volunteer

June 2015 - October 2015

Stanford University, Palo Alto, CA. PI: Amit Etkin

- Operated and assisted in operating TMS, EEG, and fMRI equipment and associated software for data collection in several studies of patient and healthy control samples.

AWARDS AND FUNDING

Stanford School of Medicine Dean's Fellowship

July 2023 -

Ruth L. Kirschstein National Research Service Award (NRSA)

February 2021 - August 2022

Jameson-Hurvich Travel Award for Behavioral Neuroscience

June 2021

LMU Achievement Award, Loyola Marymount University

August 2011 - May 2015
